VERNON S. BRODERICK, United States District Judge:

Trial in this matter is currently set for February 20, 2023. (Doc. 240.) I am, however, currently presiding over *United States v. Saipov*, 17-cr-00722 (S.D.N.Y. Nov. 21, 2017). That trial and related proceedings are expected to last throughout the entire month of February and into March 2023. Accordingly, it is hereby:

ORDERED that by January 9, 2023, parties shall submit a joint status letter stating if they remain prepared to go to trial on February 20, 2023. If that trial date is no longer viable, then the parties shall provide a list of at least three trial start dates beginning no earlier than April 4, 2023. If parties provide alternative start dates then they shall also provide a schedule for motions in limine and a pretrial conference for each trial start date proposed.

SO ORDERED.
